

GCECONSULTORIA

YOUR GATEWAY TO BRAZIL

---

PRESENTATION OF SERVICES

- GCE Consultoria is a São Paulo based business consulting firm.
- We help national companies to solve their operative and strategic problems.
- To foreign clients we offer a wide array of services encompassing operations start-up, operations support and accounting in Brazil.
- Our work follows international practices and quality standards. We deliver high quality work with swiftness.
- Our specialty market is SMEs (small to medium sized enterprises), both foreign and national.

### **OUR MISSION**

Always deliver the best service, with total objectivity and a direct hands-on approach to our clients' problems; we implement what we recommend.

### **OUR CHARACTERISTICS**

Our operative structure is simple and highly flexible. Our small overhead allows us to render high-quality consulting services for moderate fees. We train our staff during several years of association, always pursuing the personal and professional excellence of our employees.

**We speak Portuguese, English, French, Spanish and German.**

We assist foreign companies who wish to invest in Brazil in all steps necessary to open a legal entity and to start operating locally. This encompasses

- ✓ Market research
- ✓ Location finding
- ✓ Capital transfers and Central Bank registration
- ✓ Opening of a legal entity
- ✓ Visa formalities for expatriates to Brazil
- ✓ Operations start-up
- ✓ Accounting services
- ✓ Recruiting of initial staff
- ✓ Interim management during the start-up phase
- ✓ Controlling services for ongoing operations.

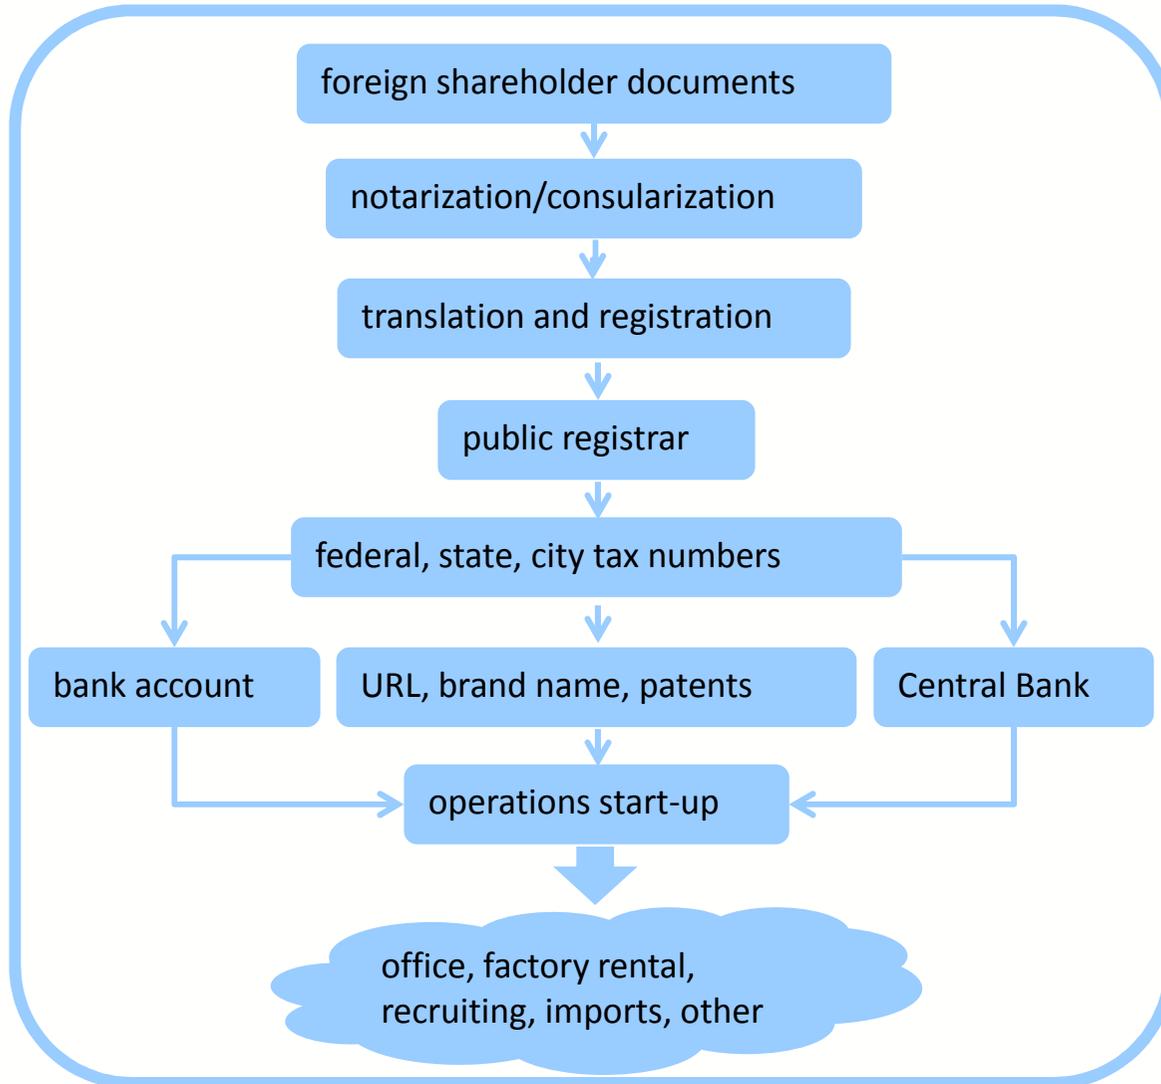

Our business consulting department implemented international consulting practices, adapted to the Brazilian business environment.

Our comprehensive database of consulting projects in all sectors of the Brazilian market allows us fast and easy business analysis and benchmarking. We work mainly in the following fields:

- ✓ Strategic business planning
- ✓ Business process reorganization
- ✓ Cost accounting and cost planning
- ✓ Business turnaround and business crisis management
- ✓ Debt negotiation
- ✓ Management of generation changes in family-run businesses
- ✓ Business analysis and viability studies (rating)
- ✓ Business evaluation, mergers and acquisitions

Through a 100 % GCE-controlled accounting firm, we offer company opening and accounting services.

## ACCOUNTING:

- ✓ Bookkeeping
- ✓ Tax records
- ✓ Tax declarations
- ✓ Export declarations
- ✓ Central Bank statements
- ✓ Payroll processing

Based on our clients' job descriptions, our recruiting sector searches, identifies and interviews potential employees for basic and entry level jobs up to middle-management jobs.

Based on newspaper ads, the GCE database and other sources, we can supply our clients with a rich choice of qualified candidates.

A series of tests and interviews conducted by our staff can narrow down our clients' final choice to 3-5 candidates.

We help our clients in their final choices.
