

GCE Consultoria and GCE Accounting – services briefing

Dear Sirs,

GCE Consultoria (www.gceconsultoria.com.br) and GCE Accounting support middle-sized and large businesses' operations in Brazil. Since the beginning of our activities in 2004 we have attended more than 130 clients. We offer the following services:

- Market research in general
- Business analysis: financial, operations, processes, viability, market
- Negotiations and representation in general
- Business planning
- Recruitment for up to middle management level

- Company opening: public registrar, Federal tax authority, other
- Interim administration and POA
- Central Bank registry and financial transactions
- Accounting, payroll, taxes
- RADAR export-import licensing

We speak Portuguese, English, German, Spanish and French.

We are at your disposal for further questions.

Best regards,

Matthias Gösch
Partner-Director
